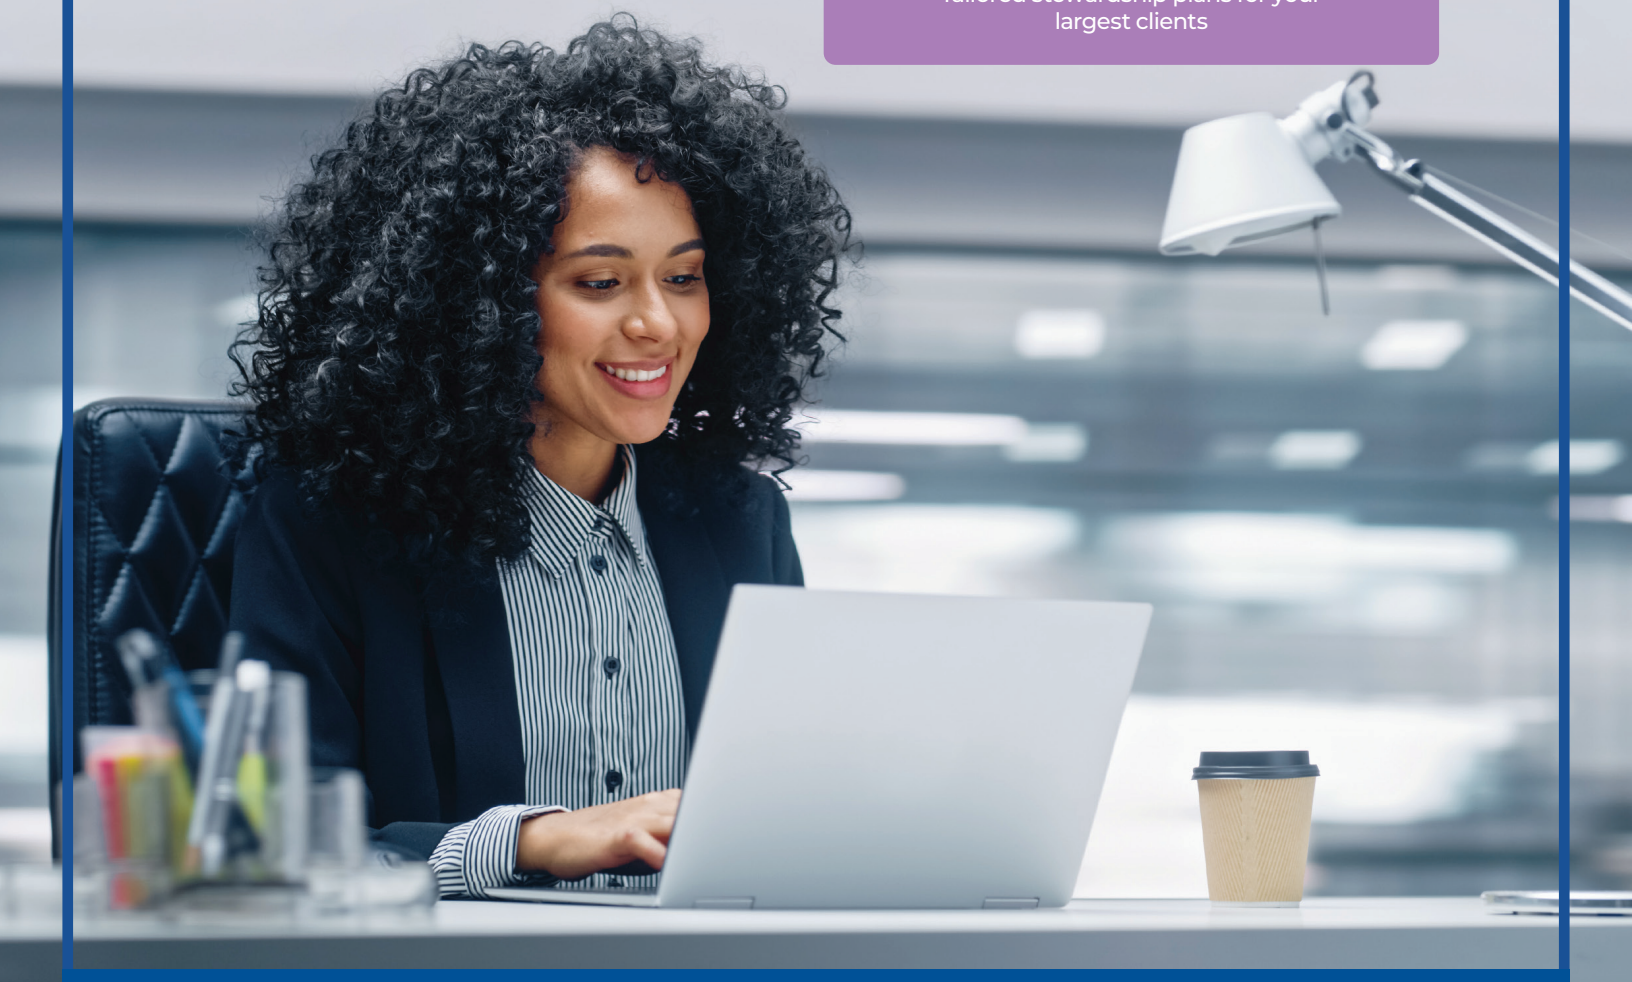
HELP US PROTECT CALIFORNIA BUSINESSES WITH COMPREHENSIVE WORKERS' COMP COVERAGE PLUS A WHOLE LOT MORE

We offer a best-in-class experience for our brokers, including competitive commission plans plus access to your clients' policy, claims, quote, and commission information anytime, anywhere, from any device. Our specialist approach to claims handling provides better outcomes for injured workers and employers, and our in-house legal support excels at negotiating settlements, resolving medical liens, and finalizing cases. Plus, our financial strength is second to none. In addition, you'll enjoy:

- Complimentary, in-house Continuing Education (CE) classes for your staff
- Senior management teams based throughout CA to provide local, knowledgeable service
- The broadest underwriting appetite in the California market
- Unparalleled safety and health services at no additional charge
- Tailored stewardship plans for your largest clients



TOGETHER, WE'LL KEEP CALIFORNIA WORKING.
