

## State Fund's Employer Education Workers' Compensation for Contractors and Construction Webinar Resources

---

We hope the webinar provided you with valuable information to effectively manage your workers' compensation insurance. State Fund is committed to your success and to assisting you in developing a safety culture to help your business thrive.

**Here are some quick links to online resources.**

**California's Contractors State Licensing Board** has helpful information on their website regarding [Workers' Compensation Requirements](#) for contractors.

You may refer to [California Labor Code §2750.5](#) for information on independent contractor status.

The **WCIRB of California** has multiple resources on [dual wage threshold](#) classifications.

Information on [Classifying Supervisory Employees](#) is also available on their website. You may use their [Classification Search](#) tool to research other class code rules and exceptions.

The WCRIB has compiled information specific to [Construction Site Cleaning](#) classifications.

You can find information on [Construction Safety Orders](#) on the **California Department of Industrial Relations** website.

### PREMIUM AUDIT

Visit our [Premium Audit](#) page for more information on the audit process.

See our [Premium Audit Guide - Construction Operations](#) that outlines the unique payroll recordkeeping requirements for your industry.

### CAL/OSHA RESOURCES

[Cal/OSHA Guidance for Construction Employers](#) contains information on specific regulations, required postings and other valuable resources.

### SAFETY & HEALTH SERVICES

Visit [www.SafeAtWorkCA.com](http://www.SafeAtWorkCA.com) for the guidance, training, and tools you need to keep your workplace safe, including resources [specific to the construction industry](#).

[Multiple Employer Worksites](#) – In this article, you'll find the employer categories and responsibilities when there's more than one employer at a jobsite along with helpful safety planning tips.

**State Fund’s IIPP Builder<sup>SM</sup>** – With our easy-to-use online tool you can build your safety program and tailor it specifically to your business.

**Cal/OSHA Emergency COVID-19 Regulations** – Get the information you need to develop your written COVID-19 Prevention Program (CPP) as required by Cal/OSHA’s revised regulation.

**State Fund’s Online Safety University<sup>SM</sup>** – Take advantage of our free easy-to-use occupational training management system, exclusively for State Fund policyholders.

**UPCOMING EMPLOYER EDUCATION WEBINARS**

To register for our upcoming Employer Education webinars or view on demand recordings, please visit **Employer Education Seminars** on **www.StateFundCA.com**. You can sort the seminars by in-person, online and on demand.
